DISCUSSION PLAN

Use this plan to fill in your group's thoughts on the Discussion Presentation.

To work through the presentation with your group, you can either:

- Show the **printed slides** in your pack, or
- Download the Discussion Presentation PowerPoint file from **www.opportunitycroydon.org/resources** and show it on your computer or on a projector

Firstly, tell us how many people are taking part in your group discussion:

Now you are ready to begin. As you work through the presentation, take a little time to talk about each slide in your group. If you do not have space for all your feedback in this booklet, feel free to attach extra notes.
