

PICTURE POTENTIAL

You will need:

✓ **A Camera**

We challenge you to show Croydon's potential in a single photo. And tell us what can be done to make the most of it in 140 characters or less.

You can take a photograph of anything in the borough, but if you photograph a person, remember to ask their permission and explain what you are going to do with the picture.

SHARE! Once you've taken your photo, tweet it and add a single tweet to explain how to do better with hashtag **#OppCroydon**.

If you don't use Twitter, you can email it to contact@opportunitycroydon.org or post it on our Facebook page along with your message (but remember - 140 characters max).

If you don't use the internet, or are unable to upload your photo to any of our sites, you can send it to us through the post with your message written on the back (see details in your pack). The Commission will look at every picture that is submitted and in the summer they will choose a winner - keep an eye on our website for details of the prizes you could win!

SHARE!
